Principal's Message

Welcome to Kid'z College Primary School.

Our goal is to create a learning environment where every learner feels safe, supported and motivated to succeed. We recognise that each child has unique abilities and potential, and our role as educators is to guide and support them in discovering and developing those strengths.

At Kid'z College Primary School, we are committed to providing a structured, supportive and academically focused environment where learners are encouraged to reach their full potential. Through dedicated teaching, structured discipline and consistent guidance, we strive to nurture confident, responsible and disciplined learners.

Our aim is to prepare learners not only for academic success, but also for the academic and social challenges of high school and the future. We strongly believe that education is most effective when there is a close partnership between the school, learners and parents. In your light we see the light

In God we trust,
We do what's just.
We'll never give up the fight
With heaven up above us,
our feet on solid ground.
It's with honour and with valour
to stand for what we've found

Chorus:
Kid'z College, Kid'z College
With wisdom and through knowledge
Kid'z College, Kid'z College
We hear the future sound

Bridge:
In your hand you hold the key
To be the best that you can be
It's with virtue and with splendour
To stand for what we've found

Chorus:
Kid'z College, Kid'z College
With wisdom and through knowledge
Kid'z College, Kid'z College
We hear the future sound
